1. Danyelle set clear goals for herself and achieved those goals in five years. How can setting goals keep you on the right path to success?

2. Danyelle discusses how the “coolness” of using drugs wears off fast. What goals has Danyelle achieved already that shows how being successful in life is much “cooler” than using drugs?

3. Danyelle talks about how hanging around with the wrong crowd can affect your choices. How do peers influence your decisions at school and on weekends? What can you do to hold strong to your values when your peers want to do something else?
