

'FENTANYL POISONING VICTIMS <17' VIDEO

DISCUSSION QUESTIONS

After watching the short video, use these discussion questions to guide the conversation.

1. When you saw the faces and ages of the teens in the video, did it remind you of anyone you know? How does that change the way you think about this issue?
2. What do you think fentanyl poisoning means as opposed to saying it was a 'drug overdose'?
3. Why do you think some teens might accidentally be exposed to fentanyl without knowing it?
4. What can you do to help yourself and your friends make safer choices and avoid situations like the ones shown in the video?
